**Annexure to the Auditors report**

The matters included in Auditors Report as notified under the Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees), Act, 2015 in case of **Walchand Institute of Technology, Solapur** for the year ended 31st March 2017.

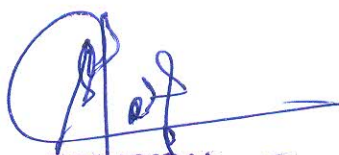

*A) The Fee Regulatory Authority established under Maharashtra Unaided Private Professional Educational Institutions (Regulation of Admissions and Fees) Act, 2015 notified on 18.06.16 matters to be included in the Auditors Report for verification of fees proposal of institutions covered by the said Act. The said notification "in the matters to be reported", has made reference to the accounts of the Trust, Institution/s and each segment of the Institution being every course for which approval of fees is sought before the Authority. As per the said notification, the Institution is required to maintain accounts on accrual basis and segment reporting for every course as per AS 17 or equivalent Ind AS. Looking to the peculiar nature of this educational Trust, for each educational institution working under the Trust including Walchand Institute of Technology, accounts are kept separately and Trust accounts are finalized independently.*

Various courses of Walchand Institute of Technology under consideration of Fee Fixation are interdependent and therefore they are not absolutely independent due to requirement of faculty and laboratory needed for various other courses under Engineering and Technology. The very fact that the fees fixation proposal is of the **Walchand Institute of Technology, Solapur**, the additional matters as required are reported by treating the accounts of this institution under which the various courses under Engineering and Technology programme are conducted, as a single reporting segment for compilation and presentation of accounts and also for fixation of fees.
