

Walchand Institute of Technology, Solapur

Programme of Electronics and Telecommunication

Engineering

Vision

To be a distinguished center for nurturing the holistic development of competent young engineers in the electronics and allied field.

Mission

1. To inculcate and stimulate Electronics & allied Engineering proficiency amongst students through quality education and innovative educational practices.
2. To create engineering professionals with social consciousness
3. To foster technical skills of students through creativity and critical thinking
4. To enhance soft skill set of students which is crucial for career success through effectual training

Program Educational Objectives (PEOs)

1. Graduates will exhibit strong fundamental knowledge and technical skills in the domain of Electronics and Telecommunication Engineering and allied fields.
2. Graduates will manifest technological progression, hardware & software skills to fabricate sustainable, energy efficient and futuristic solutions to pursue successful professional careers in multidisciplinary fields.
3. Graduates will demonstrate professional ethics, effective communication, teamwork, leadership qualities and ability to relate engineering issues to broader social context along with lifelong learning.
