WALCHAND INSTITUTE OF TECHNOLOGY, SOLAPUR
(An autonomous institute affiliated to PAH Solapur University, Solapur)

End Semester Examination (ESE)
Time Table

M. Tech Part-I Sem-II (2021-22) (CBCS Pattern)

Day and Date	Time	Program	Subject
Wednesday 07/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Research Methodology & IPR
		Electronics Engineering	Research Methodology and IPR
		Mechanical- Design Engineering-	Finite Element Method
	10.00 am to 2:00 pm	Civil – Structural Engineering	Finite Element Method
Saturday 10/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Advances in Database Systems
		Electronics Engineering	Embedded Networks
		Mechanical- Design Engineering-	Advanced Design Engineering
	10.00 am to 2:00 pm	Civil – Structural Engineering	Theory of Plates and Shells
Monday 12/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Internet Routing Algorithm
		Electronics Engineering	Advanced IoT
		Mechanical- Design Engineering-	Industrial Product Design
	10.00 am to 2:00 pm	Civil – Structural Engineering	Seismic Design of Multistoried Buildings
Wednesday 14/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Core Elective II : Reinforcement Learning
		Electronics Engineering	Sensors and Actuators
		Mechanical- Design Engineering-	Engineering Design Optimization
	10.00 am to 2:00 pm	Civil – Structural Engineering	Core Elective-II-Design of Prestressed Concrete Structures
Friday, 16/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Core Elective III : Internet of Things
		Electronics Engineering	Elective- II (Wireless cellular and LTE 4G broadband)
		Mechanical- Design Engineering-	Design for Manufacturing and Assembly
	10.00 am to 2:00 pm	Civil – Structural Engineering	Core Elective – III-Design of RCC Bridges

WALCHAND INSTITUTE OF TECHNOLOGY, SOLAPUR

(An autonomous institute affiliated to PAH Solapur University, Solapur)

End Semester Examination (ESE)
Time Table

M. Tech Part-I Sem-I (2021-22) (CBCS Pattern)

Day and Date	Time	Program	Subject
Thursday 01/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Applied Algorithms
		Electronics Engineering	Advanced Embedded System Design
		Mechanical- Design Engineering-	Advanced Stress Analysis
	10.00 am to 2:00 pm	Civil – Structural Engineering	Advanced Structural Analysis
Friday 02/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Theory of Computations
		Electronics Engineering	Advanced Digital Signal Processing
		Mechanical- Design Engineering-	Advanced Vibrations and Acoustics
	10.00 am to 2:00 pm	Civil – Structural Engineering	Advanced Solid Mechanics
Saturday 03/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Data Mining
		Electronics Engineering	Advanced Communication Networks and Protocols
		Mechanical- Design Engineering-	Industrial Instrumentation
	10.00 am to 2:00 pm	Civil – Structural Engineering	Structural Dynamics
Monday 05/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Machine Learning
		Electronics Engineering	Machine Learning
		Mechanical- Design Engineering-	Research Methodology and IPR
		Civil – Structural Engineering	Research Methodology and IPR
Tuesday, 06/09/2022	10.00 am to 1:00 pm	Computer Science and Engineering	Elective I- Data Science
		Electronics Engineering	Elective-1 Wireless Sensor Networks
		Mechanical- Design Engineering-	Elective- I Computer Aided Design
	10.00 am to 2:00 pm	Civil – Structural Engineering	Elective- I Advanced Design of Concrete Structures
