

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

**Mutually Beneficial Industry-Institute Collaboration:** Institute has a well-structured Industry Institute Partnership Cell (IIPC) for engaging collaborative activities with Industry. Various activities conducted through this cell help to bridge the gap between academics and industry. Representatives from industries are invited on various academic bodies. The institute continues to undertake industry sponsored/collaborated research projects.

The institute has various active MOUs with various industries. Institute has received a research grant of 4000USD from ASHRAE. Institute is recipient of certificate of excellence from Infosys. Institute is ranked as a top performer by Tata Technologies as part of their “Industry Ready Engineer program”.

Industries are offering long duration internships (2 to 3 months) during final year final semester. This is helping students to become system conversant & deliver early output to industry. Total 53 companies visited campus for recruitment drives and students have received 772 job offers with highest package of Rs. 14 Lakh.
