

**Walchand Institute of Technology, Solapur**  
**(An Autonomous Institution)**  
**Department of Civil Engineering**  
**Organizes**

**‘Civil WITchar- 2024’**

**Name of Event: - Aptech Civil**

- 1) The Quiz has two rounds of competition, the First round and the Final round. The team consists of a maximum of 2 participants.
- 2) The first round of competition consists of 50 questions, 25 aptitude questions, and 25 civil Engineering technical questions. The time limit to complete the test is 1 hour. Calculators are not allowed in this round.
- 3) The final round is conducted with the top 5 teams selected in the first round. In the final round, there are 4 rounds. Details of these rounds are shown in the below table:

<b>Sr. No.</b>	<b>Description</b>	<b>Type of round</b>	<b>Marks</b>	<b>Time limit of each question</b>
1	Round 1 (Technical Questions)	Passing round	Correct = 10 marks Incorrect = 0 marks Passing team = 5 marks	1 min.
2	Round 2 (Technical Questions)	Buzzer round	Correct = 10 marks Incorrect = -5 marks	2 min.
3	Round 3 (Aptitude Questions)	Passing round	Correct = 10 marks Incorrect = 0 marks Passing team = 5 marks	1 min.
4	Round 4 (Aptitude Questions)	Buzzer round	Correct = 10 marks Incorrect = -5 marks	2 min.

- 4) In the situation of a tie, an additional 2 rounds namely ‘Technical Questions- Buzzer round’ and ‘Aptitude Questions- Buzzer round’ would be taken. The marking system and time provision for each question would remain the same as per the above table.
