Speaker : Mr.Kalpak Shahane
Founder of Vaishvik Innovative Solutions LLP Solapur
& Gowin Enterprise, Solapur

Proceedings :

Mr.Kalpak unfolded his story as an entrepreneur and Startup Founder. He told students to search for the problems. He said that he was also in search of a problem for his post-graduation studies. He said that he met various people from different organisations for the same. He further explained how he brought the first product as a solution to the selected problem. He then showed all the different versions of the same product & explained how he went for the improvement / modifications in his product.

He told students about the various schemes of Government of India. He advised students to choose the proper one by studying these schemes in detail as all of the will not be useful for them.

After the session, students interacted with him. During the interaction, students asked number of questions related to startup, selection of product or service etc. Mr. Kalpak answered all in detail.

Prof.V. P. Kulkarni coordinated this activity. More than 150 Students & 10 Faculty Members attended the session.
