About Dare to Animate:

"Dare to Animate" is an Animation Video-Making Competition designed for students to unleash their creativity by producing animated videos that deliver powerful social messages.

In this competition students are supposed to select one of the given themes and create an animated video to project the cause.

1. Human Rights & Social Justice
2. Cyberbullying Prevention
3. AI and Humanity: Coexistence
4. The Power of Blood Donation

Event Rules:

1. Teams must consist of 1-2 members.
2. Participants must create an animated video, no longer than 2 minutes, based on the provided theme.
3. Only free and open-source software should be used.
4. Audio can be in either English or Hindi.
5. The use of real-time images or human figures is not permitted in the videos.
6. Videos containing controversial, offensive, or vulgar content will result in disqualification.
7. The submission deadline is October 12, 2024.
8. Video resolution must be 720p or higher.
9. No identity details should be disclosed in the video.
10. Participants are required to be present on the day of the competition.
11. Videos should not display any watermarks.

Submission Guidelines:

Step 1: Upload your video on YouTube with name format as
Theme_selected_Team_name_WITech-2024
Example: Road Safety_Tech-savvy _WITech-2024

Step 2: Fill out the Google Form which will be communicated to you.
