

Walchand Institute of Technology,
Solapur

Institution's Innovation Council Report of Calendar Activity

Day & Date : Friday, 22/03/2024 & Saturday, 23/03/2024

Event : Innovative Business Idea Competition

Proceedings :

Considering the need of hour, an “Innovative Business Idea competition” was arranged as a part of National Level Technical Symposium –WITchar-24. The aim was to give a platform to the students to present their business ideas.

Students presented the ideas in the form of ppt & the contents were Name of Product or Service, The problem it is solving, Current competition to it, customers, Rough sketch of Working / Model of it, Approximate price of it. Competition is open to students from different streams of engineering, BBA & MBA. The ideas presented by the students were of both category – Product & Service.

Mr. Shrinivas Patil, Manager Incubation Services, Uddyam PAHSUI Foundation Incubation Center, Solapur was judge for the event. Dr. S. B. Tuljapure-Innovation Ambassador & Innovation Coordinator –IIC coordinated the activity.

28 students from different streams participated in the competition. Inputs were given to the students to improve their ideas. Prizes were given to best three ideas.

'WITchar-24'
 (NATIONAL LEVEL TECHNICAL SYMPOSIUM)
 22nd & 23rd March 2024

Quizotronics

(Quiz related to Electronics)

1. Open to all students of FY to Final Year of UG Engineering of all branches
2. Team: Max two students
3. Registration fees : Rs.150 per participant
For more details please visit web site

Contact: Shreya Kamatkar- 9834240234

ElectroSimulate

Electronic Circuit Design

1. Open to all students of FY to Final Year of UG Engineering of all branches
2. Nature of work: Electronic Circuit Design
3. Team: One student only
4. Registration fees : Rs.150
5. For more details please visit the website

Contact : Darshan Gandhi - 7507048899

Innovative Business Idea

(Innovation & Entrepreneurship)

1. Max. 2 participants per team
2. Registration fees Rs. 300/- per team
3. Open to All UG Engineering Branches, BBA & MBA students

Contact: Tushar Nair - 7083405566

Eco Crete

Eco friendly & Economic Concrete Mix Design Competition

1. Maximum participants : 3 per team.
2. Registration fees : Rs. 300/- per team.
3. Eco friendly material shall be used to substitute ingredients of concrete
4. Concrete should be of M-30 Grade of 7.5% w/c
5. Three Cubes of a 150mm x 150mm x 150mm will be tested
