Day & Date : Saturday, 23/03/2024.

Event : Ideathon Competition

Proceedings :

Ideathon competition was conducted as a part of National Level Technical Symposium. Competition was open for all students from First Year to Final Year of UG Engineering of all branches. Team of Max two participants was allowed. Few extempore problem statements were given. Each team selected one of them and prepared PPTs in the provided template. Participants designed end to end solution for the selected problem in one hour. Participants were provided PC to prepare PPTs. During complete event participant were not allowed to use internet for preparing the solution. Examiners evaluated the presentations based on novelty, scope and scalability, technology stack used, presentation skills, question-answers. Top 3 groups were awarded with a memento, prize money and certificates.

Total 11 Groups from different colleges like St. Francis Institute of Technology, Mumbai, Shri Siddheshwar Women's College of Engineering, Solapur, N. K. Orchid College of Engineering and Technology, Solapur as well as students from Host College registered for this event.

This competition has helped participants to develop Problem solving ability, presentation skills & other entrepreneurial skills.

Mr. R. S. Khamitkar coordinated the event along with Mr. A. V. Mophare & Ms. S. B. Kantekure.
