Day & Date : Wednesday, 27/09/23

Competition : Maharashtra Student Innovation Challenge

**Proceedings :**

As a part of Maharashtra Student Innovation Challenge (MSIC) of Maharashtra State Innovation Society (MSINS) a competition related to Innovative Business Idea was arranged. Students of various streams of engineering participated in the event. Students presented the innovative business idea in the form of power point presentation.

Total 21 different ideas were presented by the students. These ideas were judged by Prof. V. P. Kulkarni (Innovation Ambassador & Startup Coordinator), Dr. S. B. Tuljapure (Innovation Ambassador & Innovation Coordinator) & Prof. A. V. Mophare (person with Entrepreneurial Experience). The judging was done on the basis of identification of a problem, technical feasibility of solution along with its commercial viability, market potential & present competition.

Two teams were selected by the judges for the further rounds at P.A. H. Solapur University, Solapur- University Level Competition.

Later these two teams knee buddy (one giving solution to the knee problem) & second named carbon crusaders (one giving solution to air pollution) won the prize at the university level & finally received Rs.1 Lac each as Seed Money at the hands of Hon. District Collector, Solapur Shri. Kumar Ashirwad.

Prof. V. P Kulkarni took efforts to execute the above programme successfully.
