Institution's Innovation Council Report of Calendar Activity

Day & Date : Thursday, 22/08/2024

Speaker : Mr. V. D. Chavan, Department Coordinator – E. D. Cell

Topic : Angel Investment/VC Funding Opportunity for Early Stage Entrepreneurs

Proceedings :

Mr. Vishwanath Chavan delivered a session on above topic based on following points.

- Who is an Angel Investor ?
- What is Venture Capital ?
- How they provides funds for startup businesses ?
- Why look for an Angel ?
- Accreditation of Angel Investors
- Sources of Angel Funding
- Investment Profile and
- Difference between an Angel Investor and a Venture Capitalist

Then, he displayed list of the angel investors & venture capitalists in India. He further said that in India mostly we get funds from Venture Capitalists for growth of the company. He added that to some extent, in India, it is difficult to get seed funding.

Later, he told about various companies who have taken the funds from angel investors & venture capitalists & running the business successfully.

He also appealed students to watch the television shows like Shark Tank India etc.

About 70 students have been participated in this session.
