Report of Innovative Business Idea - SPARKTANK Challenge

SPARKTANK Challenge competition was arranged to give a platform to the students to present their innovative business idea. The competition was open to students of all streams of engineering. Students were free to choose a product or service based on the problem identification by them. They presented the idea in the form of the power-point presentation. The information presented by them was having the contents - Name of Product or Service, Customers, Present competitors, Sketch/ Working of product or service, Approx. Price.

More than 50 students participated in the competition. Students got the suggestions from the judges. The competition was judged by Prof. V. P. Kulkarni sir, Mr. Y. N. Jangale & Dr. Suhas Khandal- Faculty Hirachand Nemchand College of Commerce, Solapur.

Best three ideas were given prizes. The competition was sponsored by AutoDesk, New Delhi.
