

Walchand Institute of Technology, Solapur

Institution's Innovation Council Report of Calendar Activity

Day & Date : Tuesday, 27/02/2024

Speaker : Mr. Pravin Jain (Successful Entrepreneur -Proprietor- Jain Telecom)

Topic : My Story - Motivational Session by Successful Entrepreneur

Proceedings :

Mr. Pravin Jain (Successful Entrepreneur -Proprietor- Jain Telecom) was invited for the interaction with the students. Mr. B. B. Shaharkar –Faculty Coordinator - ED Cell coordinator, felicitated him.

Mr. Jain initially told his educational background. He said that, even though he belonged to Mechanical Engineering field, he found an opportunity in telecom sector. He told that while he was visiting Mumbai as a part of his job in mechanical industry, he noticed that the mobile phones have entered into market. At that time mobile communication was just started & he felt that there is an opportunity for starting service centers of the same as these did not exist in Solapur. He took the training & then he started authorized service centre of the mobile phones. Later he got opportunity to start authorized service centers of other electronic appliances also.

He said that he was successful because of the fact that the delivery of the repaired mobile phones was on-time. He told that for a certain period of time, he was working till late night as the work-orders were high & trained man-power was not available. He told students that an opportunity may exist in totally different area which is not concerned with us, but we should understand the same & work on it.

He appealed students to undertake the innovative projects & think of entrepreneurship as a career.

Total 56 students of different branches of engineering participated in the interaction.
