| <b>Personal Information</b>     |   |
|---------------------------------|---|
| Name                            | Dr. Mrs. Sneha Amitkumar Mane   |
| Designation                     | Assistant Professor   |
| Qualification                   | Ph.D.(CSE)  |
| E-Mail ID                       | jadhav.sneha27@gmail.com  |
| <b>Experience in Years</b>      |   |
| Teaching                        | 2 years   |
| Industry                        | 4years  |
| Research                        | Design of EGTBoost Classifier for Automated External Skin Defect Detection in Mango Fruit (Multimedia tools and Applications)                   |
| Area of Interest                | Machine learning, and security  |
| <b>Subjects Taught</b>          |   |
| UG                              | C, CPP, Data Structure, Java, Python, Algorithms, UIUX  |
| PG                              | -   |
| <b>Research Guidance</b>        |   |
| PG                              | Network security.   |
| Ph.D.                           |   |
| <b>Publications</b>             |   |
| International Journals          | 02  |
| International Conference        | 01  |
| Number of Books Published       |   |
| Number of Patents               |   |
| Public Profile URL              | <a href="https://scholar.google.com/citations?user=ruprylkAAAAJ&amp;hl=en">https://scholar.google.com/citations?user=ruprylkAAAAJ&amp;hl=en</a> |
| Professional Memberships        |   |
| Notable Achievements and Awards | IEEE Paper Reviver  |
