

**Walchand Institute of Technology, Solapur**  
**(An Autonomous Institution)**  
**Department of Civil Engineering**  
**Organizes**

**‘Civil WITchar- 2026’**

**Name of Event: - Aptech Civil**

- 1) The Quiz has two rounds of competition: the First round and the Final round. The team consists of a maximum of 2 participants.
- 2) The first round of competition consists of 50 questions, 25 aptitude questions, and 25 Civil Engineering technical questions. The time limit to complete the test is 1hour. Calculators are not allowed in this round.
- 3) The final round is conducted with the top 5 teams selected in the first round. In the final round, there are 4 rounds. Details of these rounds are shown in the table below:

<b>Sr. No.</b>	<b>Description</b>	<b>Type of round</b>	<b>Marks</b>	<b>Time limit of each question</b>
1	Round 1 (Technical Questions)	Passing round	Correct = 10marks Incorrect = 0 marks Passing team = 5marks	1 min.
2	Round 2 (Technical Questions)	Buzzer round	Correct = 10 marks Incorrect = - 5 marks	2 min.
3	Round 3 (Aptitude Questions)	Passing round	Correct = 10marks Incorrect = 0 marks Passing team = 5marks	1 min.
4	Round 4 (Aptitude Questions)	Buzzer round	Correct = 10marks Incorrect = - 5 marks	2 min.

- 4) In the situation of a tie, an additional 2 rounds, namely ‘Technical Questions- Buzzer round’ and ‘Aptitude Questions- Buzzer round’, would be taken. The marking system and time provision for each question would remain the same as per the above table.
